- 13. Non-discretionary meetings such as AA, NA or other support groups are exempt from the proof of vaccination requirements.**

AURORA LIVING PROGRAM PROMOTION

Here at the Star of the North Retreat Centre, we are initiating an *Aurora Living* process of personal and spiritual formation that we believe will provide some of that light and hope.

This unique program brings together five points of light: the Word of God, care for creation, contemplative living, community building and justice as right relationships. Actually, the experience will be a journey through the main themes of the bible.

We see this program as a creative, even prophetic proposal for today's world, in line with the call of Pope Francis to be a "Missionary Church," open to being illuminated by other traditions.

CHURCH SECURITY

The Church is in the process of upgrading security for the building. Several Catholic Churches in the area have suffered damage in the past month. We would ask all Parishioners to pay close attention to the Church and surrounding grounds when you are travelling by the building. This would be helpful particularly, if you are in the area at times of darkness but keep your eye on our Church at all times of the day and night. Thank you!
